10.2 Each car which will be considered as inappropriate due to safety regulations of FIA (supplement „J“) in competitions CEZ, MSR and SAP, cannot take part on these competitions.

V. RACE COURSE

12. Trainings

There will be organized one free training for the cars for an hour. There will be two measured trainings. In each training there will be maximally 6 cars for three laps. For divisions SAP H1, H2, H6 there will be organised one measured training according to Ročenky 2012 point 8.3.1.

from the start of the first car on the track. Each driver is obligated to take part on the measured training. The start will be realized by a flag with individual start.

14. Qualification

There will be organized 3 series of qualification races. Each set will last 4 laps.

The drivers who will get less than 21 points in the two measured laps will be able to qualify themselves for the final start.

The start of qualification laps will be realized by green light or a flag.

15. Final

Each of the finals will last 6 laps. The start of finals will be realized by green light or a flag.

VI. CLOSED PARKING LOT – RESULTS - PROTESTS

16. Closed parking lot

All cars which will finish the finals will be placed to the official closed parking lot where must remain at least 30 minutes after publication of results of the race. In this parking lot it is prohibited to make any repairs on the cars or to fill fuel.

19. Results

Results of each race will be showed immediately afterwards. Final races will be exhibited on the official notice-board before the beginning of the final races. The final qualification will be completed from achieved ranks in the final races. All results will be shown on the official notice-board.

20. *Protests and appeals*

Each protest must be claimed according to MŠP, it has to be in a written form and delivered to the director of the race or second-in-command or to the sports commissary if they are not available with fixed fee.

VII. PRIZES AND CUPS
