4 INSURANCE

According to [2010-es BIZTOSÍTÁSI INFORMÁCIÓK](#) (Insurance information of the Hungarian ASN).

5 ADVERTISING**5.1 NUMBER AND SIZE OF ADVERTISING:**

- A. 1 rally plate (40x20cm)
- B. 1 rally plate (40x20cm)
- C. 2 panels of compulsory advertising (50x50cm)
- D. 2 strips above the race number panels (50x14cm)
- E. 2 strips under the race number panel (50x10cm)
- F. 2 strips on each side of the upper part of the windscreen (25x10cm)

5.2 FITTING OF THE ADVERTISING:

- Rally plates „A” and „B” must be placed on a possibly vertical space on the front and the rear of the racing car so as they can be identified easily by the marshals.
- Side panels „C” must be placed on each side of the racing car behind the race number panel. There can be maximum 5 cm between the race number panel and panel „C”. Panel „C” can be cut at the door so as the door can be opened but between the part there must not be more than 1 cm space. If the car's construction makes it impossible then the least possible difference must be aimed.
- Strips „D” must be placed on each side of the racing car above the race number panels. If there are any stickers above the race number panel, strip „D” must be placed on it.
- Strips „E” must be placed on each side of the racing car under the race number panels.
- Strips „F” must be placed on each side of the upper part of the windscreen. The whole surface of the stickers must be on the glass surface of the windscreen.

5.3 REPLACEMENT OF ADVERTISING

If during the Technical Scrutineering it turns out that the compulsory advertising has been fitted in an inadequate way and it can't be corrected without damaging the stickers, new stickers must be fitted. New stickers have a charge as follows:

- A. rally plate: 15 € each
- B. rally plate: 15 € each
- C. side sticker: 25 € each
- D. sticker above the race number: 10 € each
- E. sticker under the race number: 0 € each (provided by CCR Committee)
- F. windscreen sticker: 5 € each

Replacement of the stickers damaged during the race is free.

5.4 REFUSING COMPULSORY ADVERTISING

Those crews who refuse to fit advertising „C” and „F” have to pay an extra fee which amounts 100% of the entry fee.

6 IDENTIFICATION

As per Article 15 of the General Prescriptions of the National Championship. Rally plates, names of the driver and co-driver on the vehicle, identification card.

Maximum one type "A" service box can be obtained per vehicle, this area can be increased per 8m². In case a service box bigger than 104m² is needed, this must be agreed upon with the organiser. Assistance plates and wristbands can be obtained at the Administrative Checks or during the rally at the Rally HQ.

14.5 ADVERTISING AND PROMOTION IN THE SERVICE PARK:

During the rally, in the town of Gyula and especially at the Service Park and its neighbourhood, all promotion activity is forbidden! Any promotion of products or services can only be performed with written agreement with the Organiser. This also applies to promotional vehicles of any size. Vehicles exceeding 24t can only enter the Service Park with the written consent of the Organiser. All banners and flags of usual size and fitted safely is permitted inside the service boxes.

**14.6 OPEN CATEGORY:**

For crews in category Open, the Organiser allows not to place their vehicles in the Parc Fermé at the end of each Leg. These crews can continue reparations all night long, provided that they finish all noisy activities (e.g. drilling) by 24:00. From 00:00 they can only perform activities without noise. They cannot leave the Service Park with the racing vehicle, this is recorded by the GPS system. On Friday and Saturday, they can enter the Parc Fermé 1 hour before the start time of the first competitor of the category.

14.7 OTHER:

Only vehicles with rally plate or service plate can enter the Service Park. In the service boxes only persons with identification wristband can stay! Wristbands are provided by the organiser.

The speed limit is 30 km/h on the whole territory of the Service Park. Can be speedometers and displays in the Service Park and all excesses are recorded by the GPS. The entrance and the exit of the Service Park will be signed with plates. The traffic in the Service Park is strictly one-way. In all service boxes, for cars at least 5m x 4m service foil must be used. All service crews must respect the fire and accident prevention rules and must provide that no polluting materials remain on the site after completing their work. This and the presence of the foil will be checked by the marshals and the technical delegates! Offenders can be penalised with a financial penalty of up to 450 €.

In the Service Park (not anywhere else) washing of the vehicle and refuelling is authorised, provided the rules above are observed, water connection is available centrally.
