2. LIMITED TIME DELAY

Maximum delay between two TC is 30 minutes per Leg. Delay exceeding this limit will result in disqualification.

3. FIXED PENALTY

Competitors who got fixed penalties on the day of the race, can revert to the race- at regrouping areas and Parc-Fermé at the end of the day, until the first vehicle's planned time, or at evening Parc-Fermé, no later than 15 minutes before the publication of next day's start list.

4. CHALLENGE GROUP

Regulation: TROB Regulation and sporting rules 2021.

Daily licence starters are required to present a **Sports Medical Check Certificate!**

Evaluation: depending of the number of the entrants!

Challenge group is competing at a certain average speed, performing orientation tasks. The reduced average speed for a specific stage will be determined by consultation between the Organizer and the Clerk of the Course. The competitor closest to the specified average speed (+/-) will be the winner of that stage. With the GPS navigation and safety tracking system, the average speed can be measured on different speed control points. At the end of the event, the Challenge Group's evaluation will be determined by taking into consideration the speed on the designated selective stages as well as any delays or early arrivals on the routes connecting the selective stages (etap).

In case of non-compliance with the rules, the Clerk of the Course decides on the further participation of the disciplined competitor on the basis of the Marshall's report, primarily based on the TROB Regulation and sporting rules 2021, but may also decide on immediate exclusion and initiate the revocation of the licence.
