### **Appendix 7 Items at the organisers' discretion**

#### **1. TIME CARD PROVIDING/EXCHANGES**

Time cards will be issued before the Start of each Leg, which must be submitted to the marshalls at the Finish of each Leg. The time card must be filled up by the competitor as instructed by the judges.  
Time card exchanging: at regrouping.

#### **2. LIMITED TIME DELAY**

Maximum delay between two TC is 30 minutes per Leg. Delay exceeding this limit will result in disqualification.

#### **3. FIXED PENALTY**

Competitors who got fixed penalties on the day of the race, can revert to the race- at regrouping areas and Parc-Fermé at the end of the day, until the first vehicle's planned time, or at evening Parc-Fermé, no later than 15 minutes before the publication of next day's start list.

The specified penalty can only be used once on race days.

On Friday, June 04, 2021, no competitor (s) who have not completed a selective stage may enter the Parc Fermé and continue the competition on Saturday, June 05, 2021.

On Saturday, June 05, 2021, the competitor must complete an evaluated selective stage in order to be evaluated in the competition.

#### **4. Park Fermé**

The washer-tarpaulin is mandatory!

#### **5. MAXIMUM SPEED**

FIA maximum speeds (130 km / h, 180 km / h) are monitored by the GPS system and punished by FT.

#### **4. CHALLENGE GROUP**

Regulation: TROB Regulation and sporting rules 2021.

Daily licence starters are required to present a **Sports Medical Check Certificate!**

**Evaluation:** depending of the number of the entrants!

Challenge group is competing at a certain average speed, performing orientation tasks. The reduced average speed for a specific stage will be determined by consultation between the Organizer and the Clerk of the Course. The competitor closest to the specified average speed (+/-) will be the winner of that stage. With the GPS navigation and safety tracking system, the average speed can be measured on different speed control points. At the end of the event, the Challenge Group's evaluation will be determined by taking into consideration the speed on the designated selective stages as well as any delays or early arrivals on the routes connecting the selective stages (etap).

In case of non-compliance with the rules, the Clerk of the Course decides on the further participation of the disciplined competitor on the basis of the Marshall's report, primarily based on the TROB Regulation and sporting rules 2021, but may also decide on immediate exclusion and initiate the revocation of the licence.

**CH category not performing SS1, SS3 and SS5.**

**Reconnaissance of the entire Baja Satu Mare 2021 route is forbidden!**
